## Introducing the *ERS Research Gateway*...

Access the *ERS Research Gateway* directly from the [www.ers.org](http://www.ers.org) homepage! This new *Gateway*, which updates weekly, acts like a spam filter with a quality guarantee—ready to get you up to speed quickly. Experienced ERS researchers have combed the Web and electronic libraries and databases to find the top 10 articles or reports on the topics most important to school leaders. Many of the articles are absolutely FREE, and ERS members will receive significant discounts on others! New topics are emerging often, so keep coming back!

### ***The ERS Research Gateway is on target—others miss the mark.***

ERS knows school leaders have too little time and too much information. By offering the *ERS Research Gateway*, we provide only the most trusted and targeted information on the hot topics you need. We save you hours of needless searching and sorting through the thousands, even millions of hits you get from Google or other search engines. Visit [www.ers.org](http://www.ers.org) today, and experience the *ERS Research Gateway*!
